TARGET AUDIENCE MATCH

VERIFIED FIT

- ✓ Active crypto traders with funded wallets
- ✓ Strong community trust in your analysis
- ✓ Moving beyond micro-fee exchange links
- ✓ Seeking transparent, verified setups

2 WHY WE CHOSE YOU

Your community already trades, follows market trends, and values honest education. Standard crypto exchange links pay you micro-pennies per trade. Your audience wants **verified, capital-preserving signals** that actually work—making YagaCalls a natural, high-reputation recommendation.

3 WHAT IS EXPECTED FROM YOU

Zero complicated technical work or heavy lifting. You simply mention YagaCalls in your **Telegram channel, YouTube descriptions, or trading analysis** when relevant market opportunities arise, directing followers through your dedicated partner tracking link.
